MINISTRY OF CONSUMER AND COMMERCIAL RELATIONS

OFFICE OF THE SUPERINTENDENT OF INSURANCE

TO THE HONOURABLE ROBERT G. ELGIE, M.D.

Minister of Consumer and Commercial Relations

I have the honour to submit herewith the One-hundred and third Annual Report of the Superintendent of Insurance showing business for the year ended December 31, 1981.

The Report is arranged in five divisions, in addition to an index of all insurers licensed to carry on business in Ontario and classes of insurance for which they are authorized.

Division I, entitled "Annual Statement Abstracts", contains tabulated summaries showing the financial condition of all licensed insurers except those registered under the Canadian and British Insurance Companies Act, 1970, or the Foreign Insurance Companies Act, 1970 (Government of Canada Insurance Acts). It should be noted that Lloyd's is now federally registered and has been dropped from this section of the Report.

The figures shown are, generally, those reported by companies. Some changes may be necessary in the detailed financial statements, as a result of examinations carried out prior to the publication of the next Report. These changes will be shown in the next Report.

Division II, entitled "Non-profit Hospital and Medical Services Associations", contains tables showing in summary form the assets, liabilities, income and expenditure, together with the number of subscribers and persons covered for all associations registered under the Prepaid Hospital and Medical Services Act.

Division III, entitled "Investment Contract Companies", contains extracts from financial statement filed with the Department by the one company licensed under the Investment Contracts Act.

Division IV, entitled "Statistical Tables" shows in tabular form the premiums and losses and underwriting experience in Ontario of all insurers licensed in the Province with the exception of mutual benefit societies and pension fund associations. Information concerning the total Canadian business of these insurers is also shown in these tables.

Because the statistical tables show business written and losses incurred on a direct basis, there are also tables showing the business of those insurers licensed to write only contracts of reinsurance. These tables show business written and losses incurred on an assumed, ceded and net basis.

Division V, entitled "Appendices", shows other miscellaneous information.

AUTOMOBILE INSURANCE RATE DIFFERENTIALS

The following table has been compiled to illustrate the widely varying automobile insurance claims experience of the different classes of drivers for which statistics are collected by the Superintendent of Insurance.

The figures shown are claim plus claim adjusting expenses per car insured for policies issued during one year periods ending 1979 and 1980. The experience relates to Ontario only and it should be emphasized that the figures refer to an average of all cars insured - not just those which were involved in accidents.

The figures are based on the existing statistical classification system which for principal operators under age 25 emphasizes age, sex and marital status but does not take into account years of driving experience.

In view of revisions to the Ontario Human Rights Act and provisions in the Charter of Rights, work is proceeding on the development of new statistical classifications which will emphasize driver record and use of vehicle and de-emphasize age, sex and marital status. It is expected that coding by new classifications will commence in 1984 with first results available in 1986.

Agents, Brokers and Adjusters

During 1981, the following licences were issued:

Life insurance agents	15,704
Non-life insurance agents	11,929*
Adjusters	1,078
	28,711

Included in the total of life insurance agents licensed are 867 dual licensed agents. These are agents who are also registered under the Ontario Securities Act to act as salesmen for mutual funds.

(* Of this figure RIBO issued 6717)

Investment Contract Company Salesmen

There were 463 salesmen registered in 1981.

Prepaid Medical Associations

Four Associations are now registered under The Prepaid Hospital and Medical Services Act.

LEGISLATION

In 1980 The Registered Insurance Brokers Act was passed. This Act provides for the Registered Insurance Brokers of Ontario, a body corporate without share capital, which has the authority and responsibility of registering and governing the activities of insurance brokers in Ontario. The Act was proclaimed to come into force in two stages during 1981 and is now completely in force. The Act, and the regulations to be made under the Act, provide for a code of conduct and qualification requirements for insurance brokers as well as setting out the framework within which the Registered Insurance Brokers of Ontario and the committees of the governing Council are to operate. The Registered Insurance Brokers of Ontario is the first self-governing council of its type in any jurisdiction in North America.

Guidelines

Over the years the Superintendent of Insurance has issued guidelines to licensees respecting the conduct of the business of insurance in Ontario. The purpose of these guidelines is to give some direction or instruction to insurers mainly with respect to new developments in the insurance industry. In many cases guidelines, as experience indicates and as matters develop, become Regulations or part of the Statutes. These guidelines are as follows:

(1) A guideline was issued on June 27, 1968, to all insurers transacting creditors group life insurance or creditors group accident and sickness

insurance in Ontario in connection with premium rebating and over-charging of insurance premiums by certain automobile dealers in the Province of Ontario. This guideline is still in effect and I would emphasize that the guideline is applicable to all creditors group insurance sold in Ontario.

(2) A guideline with respect to the marketing of automobile policies and synthetic fleets was issued on August 1, 1969. The guideline arises out of the efforts of some automobile insurers to market automobile insurance on a mass merchandising basis. This guideline is still in effect.

(3) A guideline was issued on February 22, 1972, to all insurers transacting automobile insurance in Ontario in connection with the limitation on bringing action. The guideline arose out of investigations conducted in the Office based upon complaints by members of the public not represented by legal counsel having their claims against insurers prescribed by reason of the expiration of the one-year limitation period for bringing actions under The Insurance Act The Highway Traffic Act of Ontario.

(4) A guideline was issued on April 24, 1972, arising out of the decision in the Supreme Court of Ontario concerning Hill vs. The Lumbermens Mutual Insurance Company. The guideline deals with a member of the insuring public who was denied coverage under the comprehensive personal liability part of a fire insurance policy. It deals with the case where listed property was not shown on the contract and suggests a method of proceeding whereby a standard of care will be taken by insurers and agents to ensure that all such properties are, in fact, covered.

(5) A guideline was issued on November 21, 1972, to all insurers, transacting automobile insurance in Ontario in connection with the mandatory automobile accident benefit coverage provided under Schedule E to The Insurance Act. This guideline arose out of several instances reported to me of insurers failing to provide their insureds, or policy claimants, with the necessary information in order to make a claim for these benefits.

(6) A guideline was issued on January 22, 1973, to all proprietor insurance adjusters resulting from disciplinary action I found necessary to take against two proprietors of an adjusting firm for their conduct in connection with the settlement of a claim to the extent that one proprietor's licence was suspended and the other reprimanded and his licence continued only on a conditional basis. The guideline summarizes the effect of the findings of my Advisory Board with respect to the duties and role of adjusters and re-affirms the principles and ethics applicable to the licensing of adjusters in Ontario.

(7) A guideline respecting the mass advertising of life, accident and sickness insurance, as amended and adopted at the April, 1973, Conference of the Superintendents of all Provinces of Canada, was issued on May 15, 1973. The guideline was further amended in 1976 to clarify and update the filing requirements with respect to the filing of mass-advertising materials with the Superintendent of each of the several provinces. This guideline, as amended, is based upon an interpretation of section 388 of the Insurance

Act (Ontario) dealing with unfair and deceptive acts or practices in the business of Insurance. Its essential purpose is to assure truthful and adequate disclosure in all advertisements and related literature used in the mass solicitation of life, accident and sickness insurance by the establishment of and adherence to certain minimum standards of conduct in such mass advertising. This guideline, amended as noted above, replaces the original guideline on the subject which was issued on February 28, 1972, and was published in my annual report for the year 1972.

(8) A guideline was issued on May 25, 1973, to all insurers transacting automobile insurance in Canada dealing with removal of the statutory condition in the standard automobile policies with respect to driving under the influence of intoxicating liquor or drugs, as a result of legislation recommended in this regard for enactment in all the common law provinces of Canada, subject to proclamation.

(9) Arising for the subsequent proclamation, naming September 1, 1973, as the effective date of the legislation referred to in Item (8) above, a supplementary guideline was issued on July 16, 1973, drawing the attention of automobile insurers to this amendment delating part of the automobile statutory condition dealing with driving an automobile while under the influence of intoxicating liquors or drugs and consequent amendment of the standard automobile policy form, effective September 1, 1973.

(10) A guideline was issued on August 28, 1973, to all fraternal societies licensed in Ontario, drawing attention to the effect of the passing into law of The Corporations Tax Amendment Act 1972, which now requires all such societies to pay premium tax with respect to contracts entered into by them after January 1, 1974.

(11) A guideline was issued on November 30, 1973, to all insurers in Ontario transacting creditors group life insurance and/or creditors group accident and sickness insurance with respect to every contract of creditors group insurance, setting forth requirements to be observed for the purpose of providing a basis for the sound underwriting and marketing of such insurance consistent with the overall interest of the insured debtor. I found the guideline necessary as a result of a selective survey of certain types of these contracts by my Office which showed that a number of improper and undesirable practices had become prevalent in the industry. This guideline amplifies and restates the purpose of my original guideline on the subject issued on June 27, 1968, which remains in effect and has been published in my annual report for the year 1972.

(12) A supplementary guideline on creditors group insurance was issued on April 16, 1974, following a review of certain practical and transitional problems arising from implementation of the requirements under my aforesaid guideline of November 30, 1973. The purpose of the supplementary guideline is to provide certain clarifications in connection with some of these matters.

(13) A guideline was issued on February 24, 1975, to all insurers transacting automobile insurance in Ontario concerning actions taken by insurers in the name of the insured with respect to a subrogated interest. The guideline stresses the importance of the insurer's checking with the insured as to his interests in the matter so that the insured may not be denied the right of recovery with respect to his personal interests.

(14) Another guideline on creditors group insurance was issued on May 17, 1976, in furtherance on the guideline dated November 30, 1973, establishing minimum loss ratios with respect to all contracts of creditors group insurance.

(15) A guideline was issued on October 7, 1976, to all insurers other than life insurers concerning the licensing of insurance agents. The guideline deals generally with the insurer's responsibilities with respect to the renewal of licenses by their agencies and the acceptance of business by insurers from unliensed agents.

(16) A guideline was issued on March 25, 1980, to all insurers transacting legal expense in Ontario arising from the introduction of this new class of insurance in the Province. This guideline indicates that with respect to the underwriting of the new class of legal expense insurance in Ontario, insurers concerned shall observe certain conditions and limitations, namely: (1) all contracts of legal expense insurance shall provide the insured with complete freedom to select the lawyer of his own choosing, (2) no such contracts shall provide coverage with respect to the payment of fines and penalties imposed under any legislation, (3) all contracts of legal expense insurance shall stipulate that where the insured is also entitled to benefits covered under the Ontario Legal Aid Plan or other publicly financed program, benefits under the private insurer's will be treated as primary to the benefits payable under any other such programs. In accordance with the Cabinet minutes approving the regulation to create this new class of legal expense insurance under the Insurance Act, this guideline was developed in consultation between our Ministry and the Ministry of the Attorney General.

(17) A guideline was issued on May 28, 1980, to all insurers transacting automobile insurance in Ontario, re-stating the proper method for the writing and rating of insurance policies issued in respect of automobiles which are leased rather than owned, in accordance with applicable provisions of The Insurance Act.

(18) A guideline was issued on May 29, 1980 to all insurers transacting automobile insurance in Ontario, drawing attention to the discontinuance in Ontario of the 04 statistical classification for unmarried male principal operators aged 25 to 29, with effect from July 1, 1980. The reasons for the abolition of the special class were (a) no corresponding special classes existed for married males or for unmarried females in the same age group, causing doubts over the validity of surcharges based on statistics for this group; (b) it having appeared that the use of the special category resulted in older unmarried males being pooled with females and married males aged 25 to 29, but not pooled with their counterparts aged 25 to 29;

and (c) the elimination of a special category produced a clearer structure in the statistical plan: all drivers over age 24 are classified by vehicle use and claims record and not by age, sex or marital status. Insurers were therefore requested to adjust their rate tables to reflect the statistical change in orderly fashion, with a target date or year- end 1980 for the changes.

(19) A guideline was issued on November 5, 1980 to all insurers transacting automobile insurance in Ontario with respect to side agreements entered into between the insurer and the insured which were designated as "endorsements" to the policy. This guideline drew attention to Section 221 of The Insurance Act, which provides specifically for side agreements with respect to partial payment by insurers of third party claims. However, the guideline stressed that such agreements cannot and should not be designated as endorsements.

(20) A guideline was issued on June 15, 1981 to all insurers transacting creditors group insurance in Ontario, concerning the apparent fact that some insurers were providing insurance coverage other than the traditional life and disability coverages under the creditors group insurance arrangement, which new insurance coverage would provide benefits to an insured in the event of involuntary job loss or lay-off. By this guideline, the concerned insurers were advised to take note that in underwriting this risk in the creditors group insurance arrangement all existing guidelines on creditors group insurance would, until further notice, have application to this type of new coverage.

(21) A guideline was issued on August 10, 1981 to all insurers transacting general insurance in the provinces of Canada concerning the mass marketing of personal lines (property and automobile) insurance as developed by an industry/ provincial governments committee in respect of both existing and new business. The purpose of this guideline was to (a) ensure truthful and adequate disclosure in all literature used in the mass marketing of such insurance; (b) establish certain minimum standards of conduct in the solicitation of business to avoid unfair competition and practices among insurers; and (c) set out and ensure that no industry rating bureau and no insurer shall fix or make a rate or schedule of rates or charge a rate for insurance (falling within the scope of the guideline) to a qualifying group that would result in a lower cost to an individual in such group than such individual would have to pay if insured individually, nor shall any insurer engage in any unfair or deceptive acts or practices. This guideline has full force and effect in all Canadian jurisdictions, except Quebec, with a few variances only in the case of Alberta and Saskatchewan.

Further information concerning the Guidelines is available on request from the Office of the Superintendent of Insurance, 6th Floor, 555 Yonge Street, Toronto, Ontario.
